

# You Can Help to Create a Safe Workplace

Some actions you can take to help maintain and promote safety on-the-job include:

- 1 Complete all work tasks in compliance with safety policies and procedures.
- 2 Use Personal Protective Equipment (PPE) and other safety equipment as required by local, state and federal regulations.
- 3 Report all accidents, no matter how minor, to your supervisor.
- 4 Prior to beginning work each day, conduct a safety inspection of your work area to identify unsafe conditions.
- 5 Attend safety training meetings.
